

## ORFA Constitutional Resolution 20-01

Whereas the ORFA is a membership organization of retired firefighters from around the state of Oklahoma; and

Whereas it is in the best interest of the membership that the ORFA Board have some help and guidance from a select committee; and

Whereas committee work takes time, patience, and lots of work; and

Whereas when a committee turns over in membership, it tends to lose the history and momentum of projects that it has taken on; and

Whereas a standing committee ensures that the functions of the committee are in line with the members' interests and in line with the Constitution and By-Laws;

Therefore be it Resolved that the ORFA Constitution and By-Laws be amended in Section VII to add a new Section 2 to read:

### **ARTICLE VII-COMMITTEES**

**Section 1.** The President of the Association shall appoint such committees as deemed necessary to conduct Association business, both during the annual ORFA meeting and in the interim between annual meetings.

#### **Section 2. Cornerstone Committee**

- a) The mission of this committee will be to promote the sustainability, maintain the integrity and relevance of the ORFA by providing insight to the ORFA Executive Board to enhance membership, fundraising and other activities needed to support ORFA and OSFA.
