

OSFA SPECIAL RESOLUTION 19-02

WHEREAS Firefighters die every year in automotive accidents while driving and riding in fire apparatus,

Whereas the State of Oklahoma requires EMS personnel take an EVDT training every two years:

THEREFORE BE IT RESOLVED that the Oklahoma State Firefighters Association recommends that all fire departments implement a mandatory policy requiring EVDT training every two years.

Submitted by:

OSFA Safety and Health Committee, Dan Newbury, Chairman

OSFA Executive Board, Dereck Cassady, President
